### Search Notes

Ismael:

Attached are the results to your request regarding an injection-molded polymer for occluding aneurysms.

I'm afraid I found nothing relevant in the non-patent literature, but there are a few foreign patent applications that may be relevant. Although I marked some items, I recommend you review them all.

If you have any questions or would like this search reworked in any way, please do not hesitate to contact me at the number or address listed above.
